National Rail

Principal Route Map

This map is a simplified overview of the principal line and stations in Great Britain.

Not all lines and stations are shown. For a map showing all lines and all stations, please refer to the 'National Rail - All Stations Route Map'.

This map is a guide to scheduled services provided by the train operators but does not guarantee direct train between the stations shown. A few services do not operate and some stations are not served for the full duration of the day and not necessarily seven days a week. Services may be affected by temporary suspension or altered by planned engineering works.

For details of train times and fares, go to nationalrail.co.uk, use the National Rail app or call National Rail Enquiries on 03457 48 49 50.
