

This 3D architectural rendering provides a detailed view of Gravesend Station. The station is situated between Rathmore Road to the west and Clive Road to the east. It features three platforms: Platform 0, Platform 1, and Platform 2. Platform 0 is located at the western end, adjacent to a cycle hub and a shelter. Platform 1 is the central platform, featuring a waiting room, retail area, and ticket machines. Platform 2 is at the eastern end, equipped with a ticket office and a help point. The station building is located between Platform 1 and Platform 2. A taxi rank is situated at the southern end of the station. The plan also shows the surrounding roads, including Barrack Row, Anglesey Place, and Clive Road. A compass rose in the bottom left corner indicates the orientation, with North pointing towards the top right.
